

This form must be filled out, signed, and emailed to The Editor of the **International Journal of New Scientific Exploration in Technology**, at [ijnseteditor@gmail.com](mailto:ijnseteditor@gmail.com) on behalf of any one co-author.

I/We, \_\_\_\_\_

(Author (s) name, the copyright owner/owners of the article)

Title \_\_\_\_\_  
\_\_\_\_\_

I now give you permission to publish the aforementioned research paper or article in, **International Journal of New Scientific Exploration in Technology**.

**Further Clarify That:**

1. The article is entirely original with no copies or plagiarizations from other sources or people. It doesn't violate anyone else's rights, it doesn't contain any offensive or illegal language, and all citations have been properly cited where they belong.
2. The essay has not been published before or submitted for publishing in another copyrighted journal; it was only submitted to **the International Journal of New Scientific Exploration in Technology**.
3. In order to prepare the article or research paper for publication in **the International Journal of New Scientific Exploration in Technology**, I/we hereby give you permission to edit, revise, and make modifications to it.
4. I/We thus provide the **International Journal of New Scientific Exploration in Technology** full copyrights to the aforementioned article/research paper.
5. No other individual, organisation, or publication has been granted any form of rights to the aforementioned article or research paper by me or us.
6. We both agree to hold **International Journal of New Scientific Exploration in Technology** harmless from any legal action or claim claiming facts that, if true, constitute a breach of any of the aforementioned warranties.

**Any one Author's**
